PART 04

A woman with long hair, wearing a light-colored tank top and dark leggings, is running on a dirt path. She is captured from behind, with her right leg lifted in mid-stride. The path is surrounded by tall grass and trees, and the sky is a vibrant blue with scattered white clouds. The overall scene is bright and energetic.

01

**About us**

## Company introduction

**FuRui** Textile (shanghai) Co., Ltd is a company specializing in the research and development, production and sales of fabric textiles.

Closely following the trends in the international fashion market, FuRui makes various kinds of processing of the textiles, making them waterproof, fire retardant, antistatic, anti-UV, breathable, anti-microbial, wicking, and resistant to chlorine. FuRui textiles are widely used in various brands of clothing, jackets, sportswear, outdoor jackets, mountaineering clothing and skiwear.

FuRui is always putting customer and reputation first. Its advanced technologies and sound management have earned it credibility and applaud from customers. FuRui is looking forward to working with the customers new and old to create a better future.
