

**TDI TEXTILE CO., LTD.**

# About us

TDI TEXTILE

**WE START FROM  
A DYEING HOUSE IN 1988.**

Twin Dragon Industrial (TDI) dyeing house was established in 1988 , we focused on professional synthetic woven fabric dyeing and finishing for many outdoor sports brands . In 2018 , we build TDI fabric division and specialized in technical woven fabric for international Outdoor Sports market. Combined with other 4 certificated waterproof coating and laminating mill, TDI provide best quality 2 layer and 3 layer textile.
